

## **The Women's Center Presents:**

*Through Women's Eyes, By Women's Hands...Anonymous Masterpieces*

---

### **How It Works:**

The Women's Center is calling all female artists (ages 16+) in North Carolina to create and donate an anonymous mini work of art which will be for sale to art lovers at our annual event on March 4, 2011. The identity of the artist will remain anonymous until the artwork is sold. Proceeds from the sale will benefit the programs and services of The Women's Center.

---

### **How You Can Help:**

You can help by creating art. Your involvement will help to support women and girls in our community, will expose your work to patrons of the art exhibition and sale, and will help generate publicity and recognition of your talents. The Women's Center will provide you with 5"x7" postcards – feel free to submit multiple entries – on which you can create or attach (depending on the medium) your original art. These anonymous masterpieces of art, made by you and other renowned artists, will be on display and sold for \$50 a piece at our exhibit in March, 2011. All artists' identities will remain concealed until the work is sold. Just email and let us know how many postcards you'd like and we'll send them to you. You may work in any media, but DO NOT sign the front of your work – there is space on the back of each card for your signature. Then simply return your work to us by February 1<sup>st</sup> (or earlier).
